great things happen in a chair
Cutting edge Italian ergonomic design made 4u.

The flowing sleek lines of 4u add to the ambiance of sophistication in any environment while also providing incredible ergonomics, comfort, and functionality.

Flexibility
With its variety of options, 4u serves as a work chair, a tall or extra-tall stool or as a conference chair with fixed arms. Select from a 4-way elastomeric stretch mesh back, welded fabric (groove) back or upholstered back. Pair with one of its 2 seat options—original slim line design with seat pan or enhanced comfort seat. Both are available in medium & large.
